

**b=exhale or blow d=draw or inhale**  
**\* means half step bend**

## "Spoonful" Willie Dixon

6b / / / 5d 4d /

It could be a spoonful of coffee

6b / / / 5d 4d

It could be a spoonful of tea

6b / 5d 4d 4b 3d\* 4d 4b / 3d\*

But one little spoon of your precious love

4b\* 3d\* 4b\* 3d\* 2d 2d\* 2d

Is good enough for me

4d~ 4b 3d 2d / 3d\* 2d

Men lie about that spoon-ful

4d 4b 3d 2d / 3d\* 2d

Some cry about that spoon-ful

4d 4b 3d 2d / 3d\* 2d

Some die about that spoonful

6b / / / 4d 3d 3b 3d\* 2d

Everybody fight about a spoon-ful

2d ~ 3d\* 2d~ 3d\* 2d~ 3d\* 2d  
That spoon, that spoon, that spoon ful

2d ~ 3d\* 2d~ 3d\* 2d~ 3d\* 2d  
That spoon, that spoon, that spoon ful
